Backroads of Wisconsin: Your Guide to Wisconsin's Most Scenic Backroad Adventures

Martin Hintz : Backroads of Wisconsin: Your Guide to Wisconsin's Most Scenic Backroad Adventures before purchasing it in order to gage whether or not it would be worth my time, and all praised Backroads of Wisconsin: Your Guide to Wisconsin's Most Scenic Backroad Adventures:

1 of 2 people found the following review helpful. Accessibly and informatively writtenBy Midwest Book ReviewAccessibly and informatively written by travel journalist Martin Hintz, and illustrated with Bob Rashid's gorgeous color photographs of Wisconsin's natural splendor and the people proud to call the state home, Backroads Of Wisconsin: Your Guide To Wisconsin's Most Scenic Backroad Adventures is a visual narrative, and reference guide to enjoying the scenery, landmarks, and historical locations available among Wisconsin's roads. Maps and detailed descriptions complement this excellent and enthusiastically recommended guide for both day-tripping vacationers wanting to make the most of what Wisconsin has to offer, and the armchair traveler content to simply read about it.4

The maps were hard to follow. Fine if you want to just read about the roads, but getting there is another story. I took the book with me on the road, and it was hard to follow, and you have to skim the whole thing to find the directions.

Of course you know that Wisconsin is more than Badgers and beer; more than Packers and cheese. But have you truly explored the state? Do you know where Frank Lloyd Wright's fabulous architecture is tucked, or where the state's longest main street runs? Have you reveled in the majesty of the Mississippi River bluffs, or experienced the charms of Madeline Island? You'll discover all of these treasures and more in *Backroads of Wisconsin*. This discovery guide showcases the Badger state's hidden corners, revealing a friendly, colorful countryside that both armchair and hands-on travelers will enjoy uncovering. Historical vignettes and humorous anecdotes are sprinkled liberally amid the descriptions of pathways that meander through coulees, over prairies, and along the riverbanks of rural Wisconsin. Whether you're planning a day trip and are looking for unusual destinations or you simply want to learn more about the region, *Backroads of Wisconsin* will lead you deep into Wisconsin's soul--beyond the cows and corn. Bob Rashid of Madison is the author of *Wisconsin's Rustic Roads* and *Gone Fishing*. His work has appeared in *Time*, *Newsweek*, *The New York Times*, *Travel/Holiday*, *Northwest Airlines World Traveler*, and other national publications.
