Badges of the British Army 1920 to 1987: An Illustrated Reference Guide for Collectors

Frederick Wilkinson : Badges of the British Army 1920 to 1987: An Illustrated Reference Guide for Collectors
before purchasing it in order to gage whether or not it would be worth my time, and all praised Badges of the British Army 1920 to 1987: An Illustrated Reference Guide for Collectors:

0 of 0 people found the following review helpful. Military Collectors LibraryBy AmandaThis book is very informative

with the various military insignia's of the British Empire. I was able to identify many of my badges, the illustrations are in black white which is fine with me since many of the original badges did not have colours on them. This book is a perfect fit for any military collector it is small enough to hold in one hand (5 3/4 x 8 3/4) while attempting to identify your insignia. I have had this book for over 20 years still am utilizing this book for my research. Look forward to locate other books of this caliber to add to my library.

This edition of Badges of the British Army presents a wholly new, completely revised guide for the collector. All the photographs are new, and the coverage extended to encompass the badges that had appeared since the book was first published. Through six editions and many reprintings, this book has proved itself immensely popular with collectors, as well as providing the novice with an invaluable introduction to the subject. Easy to slip into the coat pocket, it is the perfect companion to perusing market stalls in search of collectable items, providing immediate visual identification of each badge. The author, Frederick Wilkinson, supplies excellent advice to the collector, showing how to date badges, warning of the fakes, copies and re-strikes that abounded and how to recognise them, but also demonstrating how enjoyable and rewarding a pastime badge collecting could be. His introductory text presents a brief history of British Army badges, from the shako plates of Wellington's time - now valuable items - to the later, much easier to find, Staybrites.
