Rarely does a children's book touch on so many subjects as this one does. My daughter is still a little young to fully understand the story but she loves the brightly colored pictures! I would recommend this book to anyone who wants to educate their children about travel, adventure and the meaning of friendship. Perfect for children ages 4-7 and great for young readers. A real treat for us parents as well!1 of 1 people found the following review helpful. BALDO'S AWESOME ADVENTURESBy JWF-PEWhat a delight.....I was trying to find a "new adventure" in book reading for our grandkidsages 6-9....who, already, have quite an extensive library !!!!!Imagine my happiness when I came across a NEW BOOK and a NEW AUTHOR.....who capatured a childs mind, all the QUESTIONS they have, all the questions that need to be addressed

early on.....BALDO'S AWESOME ADVENTURES, skillfully , address some these important issues our day.....We look forward to more insightful ,touching books from this new author.0 of 0 people found the following review helpful. Five StarsBy Customerwonderfully written and illustrated so beautifully. As a former teacher, I find this book perfect for children.

Baldo, a big, red birthday balloon escapes at a birthday party after being tied to a chair and ignored. He is searching for a friend to play with him and can't wait to meet the golden balloon in the sky, but...After a scary encounter, he meets many more "balloons", and survives hair raising adventures until he ends up at another birthday party. Will he finally find a friend?
