QuickStudy

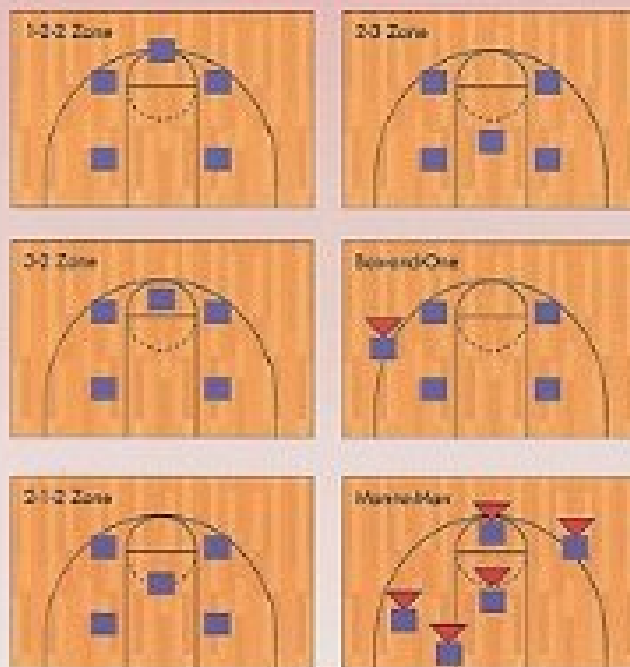

In-your-pocket essentials of basketball to "get you into the game" and part of the action—whether playing, watching on TV, from the sidelines or in the stands

Easy-to-read coverage of:

- types of defense & positions
- court, rules & game time
- playing the game
- skills, terms & techniques

Packet-sized and packed full for players, new players, moms, dads, new coaches, and any budding or longtime sports fan

Types of Defense

■ = Defensive Player ▼ = Offensive Player

Offense and defense positions are the same in basketball!

Basketball Basics (Quickstudy: Sports)

Inc. BarCharts : Basketball Basics (Quickstudy: Sports) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basketball Basics (Quickstudy: Sports):

Basketball fundamentals to "get you into the game" and part of the basketball experience. This guide includes: court positions playing the game rules of basketball game time skills, terms techniques and much more...
