Your Ultimate Source For Basketball Cards And CollectiblesBy Jah\_RulesIf you are a collector of basketball cards and select memorabilia, this is the book for you! From the 1st mainstream set, to all sets of the modern era, every card is listed, along with detailed descriptions of the sets as a whole. Most listings even give a picture to give you the general idea of what the cards look like! I always make sure to get this every year to know what the general value of my collection is! An excellent resource!0 of 0 people found the

Basketball Price GuideBy Joyce McCartyWe have been buying this price guide since it's inception but the quality and content has been dropping the last few years. I suppose they are trying to keep the price down, but they are omitting and reducing too much. I would say though, until someone comes up with something more complete, it's the one to buy.
