people found the following review helpful. Three StarsBy Charles R. DaltonIt is okay but a little skimpy on info.0 of 0 people found the following review helpful. Wish there was one for other firearms!By Kindle CustomerSometimes a little difficult to decipher, but it fits in your pocket. A very handy size. Arrived on time. Wish someone would write one of these for some other firearms. Worth the money.

The Blue Book Pocket Guide for Colt Dates of Manufacture by R.L. Wilson is the only up-to-date, condensed reference source that provides the reader with the most recent Colt serialization available, providing dates of manufacture on most Colt firearms.
