It doesn't seem appropriate for a family kitchen.0 of 0 people found the following review helpful. Perfect calendar for the kitchenBy Monte's MomThis is the 3rd year I've bought this calendar. I still love the bright graphics. I don't think you'll be disappointed if you buy it!

The demand for highly collectible pieces of vintage memorabilia combined with recent design trends have made this calendar one of our top sellers. The vivid art deco reproductions featured in Bon Apptit will enhance any room in the home with a touch of nostalgia and European style. Traditional cooks, food fanatics, and people who just love to be in the kitchen will especially find this calendar a delight.
