Bottles: A Coloring Book

David Sorkin : Bottles: A Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Bottles: A Coloring Book:

Everyone knows what a Coca-Cola bottle looks like, but there are many other products that can be recognized by their distinctive bottles. See how many bottles you can recognize (answers are at the back of the book) in Bottles: A Coloring Book. For a real challenge, try to draw their labels from memory, or design your own improved versions.
