More fun than having a Habano...and better for you.Vivid colors, great detail, really cool packaging and more bands than you ever imagined..This one's going to be on my coffee table for a long time...

This beautifully illustrated book of more than 1,100 Victorian era cigar bands comes cased in a handsome presentation cigar box. The collection spans the time period from about 1880 to 1910, which was the "Golden Age" of German lithography and American and Cuban cigar band printing. These gilded and highly detailed bands illustrate U.S Presidents, European royalty, noted world personalities, and much more. This cigar band collection is shown exactly as it was displayed in the ledger of a young man born in Philadelphia in the late 1800's. This rare time capsule is a visual delight for anyone leafing through its pages.
