2 of 2 people found the following review helpful. Great book about Legos.By AlexThis is a great book for anyone who likes Lego. Whether you are an AFOL (Adult Fan Of Lego) looking for new ideas, or just a confused kid wanting to know what [...] is, this book is a great and educational guide to Lego and its fans. This book features sections on, castle, mecha, modular building, Lego websites, Batman, events(like Brickfest or Brick World) and even how to build sculptures! This is an awesome book for anyone involved, wondering, or confused about the grand art of LEGO.

BrickJournal Compendium Volume Two compiles issues #4-5 of the acclaimed online magazine for LEGO enthusiasts of all ages for the first time in printed form! This full-color book spotlights all aspects of the LEGO Community, showcasing events, people, and models, with contributions and how-to articles by top builders worldwide, new

product intros, and more!
