Mary H. Rubin : Brunswick (MD) (Postcards of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Brunswick (MD) (Postcards of America):

Primarily known as a canal town until the late 1800s, Brunswick remained an important transportation center with the arrival of the Baltimore and Ohio Railroad. Today it offers history, recreation, and small-town charm. These images illustrate the people, the events, and the everyday scenes that make up Brunswicks story.

About the AuthorIn this collection of vintage-photograph postcards, Mary H. Rubin explores the towns past and presents a record of its changes.
