In my opinion there is no other jewelry artist that rival the Buccellati family. Every page is a full color gorgeous photo of the work of three generations of jewelers. I this my favorite jewelry book and I have a lot of them. If you enjoy outstanding photo books for inspiration this book is for you. 0 of 0 people found the following review helpful. Three Stars By A. Seibert Too much type and not enough photos. 0 of 0 people found the following review helpful. Buccellati for ever By jewellery fan Buccellati jewelry is pretty unique. Its style is representative of the best Italian craftsmanship and design. This book presents in a very elegant way the Buccellati creations, from the founder, Mario to the new generations. Their masterpieces are very well illustrated and commented.

Elegance and refinement, class and harmony: the hallmarks of the Buccellati jewelry tradition, heir to the great masters of antiquity. Since 1750, the Buccellati family has been crafting some of the finest jewelry in the world, and today the name is synonymous with luxury, quality, and craftsmanship.

About the Author Sylvia Luzzatto was born in Zurich and grew up in New York and Buenos Aires. She is an
