Gorgeous!!!By JudiI was so happy with this book, it more than met my expectations. Beautiful jewellery beautifully photographed, a real feast for the eyes. The narration I also found really interesting, history and ingenuity colliding to make some of the most beautiful jewels ever made. So glad I made the purchase.0 of 0 people found the following review helpful. Highly Recommended!By anonymousee my comment on the most helpful review. it is a great book. I also bought Cartier by Hans Nadelhoffer. It cannot be compared to this book.
