If you are looking on doing costuming for the western expansion, wild west, gold rush,, anything in that vein, I would recommend it. However, it does not get into too much detail on appropriate prints and designs for the fabric itself.1 of 1 people found the following review helpful. reviewBy Katrina SchneiderExtremely interesting book, I read it without putting it down once.! Educational , imformative and entertaining.Highly recommended for all those interested in the history of fashion0 of 0 people found the following review helpful.
