California Country

D Saeks, J Vaughan : California Country before purchasing it in order to gage whether or not it would be worth my time, and all praised California Country:

5 of 6 people found the following review helpful. A Classic look at California CountryBy A CustomerThis is an updated paperback version of one of the first decorating books I ever purchased. Cool California rooms with styles that range from contemporary to more classic looks. Even though this book is several years old I still go back to it and use it as a resource. Overall I would call the main look shown... Casual Elegance.0 of 3 people found the following review helpful. Worthless Reading and InformationBy ianI was highly disappointed in the content of this book. I was expecting so much more. About the only interesting portion of the book was the section on the Mondavi home. Other than that, it stinks. This is not even worthy of coffee table book status. My suggestion: Save your money and don't purchase it; instead treat yourself to a coffee at the bookstore.

Offers a detailed look inside thirty-one country homes, from an Italianate palazzo in the Wine Country to a rustic weekend getaway near Big Sur.

If books were food, California Country would be a sumptuous feast. The Washington Times About the Author Diane Dorrans Saeks is the California editor for Metropolitan Home, the interior design editor for PaperCity, the San Francisco correspondent for W and Women's Wear Daily, and a frequent contributor to national and international design publications. John Vaughan has traveled the globe photographing houses for Architectural Digest, HG, Better Homes and Gardens, and The New York Times, among others. Together, they authored San Francisco: A Certain Style (Chronicle Books, 1989).
