## **Helpful Information for Watchmakers**

**Olof Ohlson : Helpful Information for Watchmakers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Helpful Information for Watchmakers:

1 of 1 people found the following review helpful. Informative and insightfulBy MB - SoCaThis short booklet covers important aspects of repairing old pocketwatches- specifically Waltham models.It is well worth the wait- ind includes some insightful calculations and methods on restoring these timepeices.Many methods are very old- but none the less informative.Stay away from the Cyanide cleaning solution suggestion!
