Eh, okay book ...By Atlanta ScottI'm sorry to say that it's not nearly as interesting as I'd hoped. Written in a rather bland manner.

collection of condoms, Florida's Lightner Museum locks up all but one of its shrunken heads, and a world-class stash of Japanese erotica (shunga) art was kept in the Honolulu Museum of Art's storage until only recently. Ken Arnold, Head of Public Programs at the Wellcome Collection in London
