[Library ebook] Hosiery and Knitwear: Four Centuries of Small-Scale Industry in Britain, c. 1589-2000 (Pasold Studies in Textile History 12)

Hosiery and Knitwear: Four Centuries of Small-Scale Industry in Britain, c. 1589-2000 (Pasold Studies in Textile History 12)

Stanley Chapman : **Hosiery and Knitwear: Four Centuries of Small-Scale Industry in Britain, c. 1589-2000 (Pasold Studies in Textile History 12)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hosiery and Knitwear: Four Centuries of Small-Scale Industry in Britain, c. 1589-2000 (Pasold Studies in Textile History 12):

1 of 1 people found the following review helpful. GreatBy C. I. C.I enjoyed so much reading this book. A complete

analysis of a not so well known industry not only in England.

Hosiery and knitwear is familiar as a traditional British industry of small-scale family firms. This pioneer study traces in rich detail the tensions between internal aspirations of leaders (craftmanship, lifestyle, and supporting infrastructure) and external pressures (banks, wholesalers, chain store groups, and takeovers). The industry's history is traced from its beginnings in the early 1600s down to the end of the twentieth century.

"The history of hosiery and knitwear has not received the same degree of attention as other textiles, notably cotton or wool.... a major gap in the history of British textile production.... Chapman has written a thorough, detailed study of the subject... based on more than thirty years of dedicated research and covers, with an amazing degree of precision, the productive, financial, technological, and marketing changes in the sector over the course of more than four centuries." --Business History About the Author Stanley Chapman is Emeritus Professor of Business History, University of Nottingham.
