Complete basic step to step (basic to hard) need to be on pages with project even if they are repeated.0 of 0 people found the following review helpful. Awesome wall hangingBy JewelophileBeautiful bright colors, very large, quality fabric. Nicer than ones I've seen for \$50 in head shops. Very pleased.1 of 1 people found the following review helpful.

Macrame to keep my mind workingBy AriesmeLove it. Started the Eco-handbag. Not done but still love the project. Loving the other projects. Thank you.

For many of us, the rough plant hangars or friendship bracelets we made in summer camp are the extent of our

experience with macram. Today the craft of decorative knotting is making a huge comeback with several accomplished artists taking the craft to exciting new levels of creativity. *Hot Knots* explores a variety of macram techniques from historical, centuries-old designs, to modern fusion knots and guides readers through 18 cool and contemporary projects for jewelry, housewares, accessories, and more. Inside you'll find: Clearly illustrated, step-by-step tutorials demonstrate a variety of knotting techniques More than 200 stunning, full-color images instruct and inspire crafters of all levels Added suggestions for each project encourage crafters to take their skills further Divided into chapters covering jewelry, housewares, fashion, and accessories, *Hot Knots* is a must-have guide for crafters, artists, fiber and knotting enthusiasts, and creatives of all kinds.

"There are plenty of books on knotting on the market; but few offer the diversity in project applications of this new guide. The Midwest Book About the Author Kat Hartmann has been involved in publishing and the creative industries for more than a decade and has a particular interest in homemade crafts and the work of independent artists and craft aficionados. When not working as an editor and web content manager, she spends her time creating beautiful macram and polymer clay projects.
