Review of Star Trel collectablesBy Debra GreenThis is a good book, however it does not have the things that I wanted i.e. dolls and single moviesof the series.I would recommend insofar as it is specific but does not cover pertinent items0 of 0 people found the following review helpful. Worth a Beam-UpBy RayROnlineNice book. A little dated not having many recent collectibles. I was able to find who made

the Starfleet Class Ring I was trying to find out about for years, so I was very happy. I wish it had more pictures. Generally this was a good buy and worth having. 4 of 4 people found the following review helpful. very informative

This is the best star trek price guide I've found and I've been looking for a while. However this book is a few years out of date, it would be great if they updated it.

**BEFORE YOU BOLDLY GO AND BUY OR SELL STAR TREK COLLECTIBLES-- GET THE FACTS! MORE THAN 5,000 PRICES LISTED!** When the Star Trek television series originally aired in 1966, the show inspired little enthusiasm from the media. Not so with the legion of devoted viewers. Now, three decades later, Star Trek remains alive and well thanks to classic re-runs, spin-off TV series, and blockbuster movies. It's no surprise that Star Trek memorabilia has become the hot area of collecting. With this handy sourcebook, you just might live long and prosper!
