Indian Baskets of the Southwest

Clara Lee Tanner : Indian Baskets of the Southwest before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Baskets of the Southwest:

0 of 0 people found the following review helpful. Well done ref book. thxBy allredahnice book thx. hard to find too.0 of 0 people found the following review helpful. My basket BibleBy William KasebergI'm not a museum or a big-time collector, but I love Southwest baskets, pottery, textiles and jewelry, and collect them all. If you're into baskets, this is a great source for what's good and imparts a great sense of what these baskets represent, both artistically and historically. It gave me my start and a giant step forward in this field.5 of 5 people found the following review helpful.

From the cover ...By Kashley EntertainmentWith the same clarity and attention to detail for which she has become known throughout the world as an authority on Indian craft arts, Clara Lee Tanner now reveals the wide range of Southwest Indian basketry in this handsome volume. Beginning with the work of prehistoric Indians, she demonstrates differences among contemporary baskets of the Hopis, the Pimas and Papagos, the Yumas, the Navajos, Utes and Paiutes, the Chemehuevis, and the Apaches in more than 400 photographs and 200 drawings.

As the book jacket flap states: "...Tanner reveals the wide range of Southwest Indian Basketry in this handsome volume."

"A wealth of information presented in a clear yet technologically superb manner. . . . Not a 'pretty picture' book but

rather a working volume."Choice"With over 500 photos and drawings, this is now the first comprehensive study of the totality of southwestern Indian basketry. . . . The author has done a fine job of surveying the broad spectrum of a region with a particularly long and rich basketry tradition."American Indian Basketry"The most comprehensive study of its kind . . . lavishly illustrated."Diversions"Not only beautiful to behold but a treasure for researchers."Western Writers of America Roundup
