USELESS !!By Randall C.I agree with another reviewer, a huge amount of force is required to insert most of the cents in their proper settings. So much in fact that the album sustains significant damage. NOT GOOD !!! Far inferior to its DANSCO counterpart, albeit cheaper.....I've thrown mine away.....0 of 0 people found the following review helpful. Very satisfiedBy S. J. RaffertyGreat quality, Classic design.0 of 0 people found the following review helpful. Five StarsBy Dave SturgillCollection looks much nicer in this display.
