Awesome bookBy noraAwesome book on different finishing techniques for weaving and other fiber arts, can't wait to try more

For weavers, knitters, sewers, quilters, embroiderers, crocheters, or anyone who is interested in the textile arts, this compendium offers an extensive range of fabric finishes. From basic to esoteric, simple and elegant to highly decorative, these finishes can be applied to any fabric--woven, knitted, crocheted, handmade, or purchased. Each technique is clearly presented with text, illustrations, and photographs of examples.

"The spiral-bound format, photographs of finished products and color illustrations of techniques make the book easy to use." -- *Cast On Spring*, 2004  
"This invaluable compendium offers finishing methods for weavers, knitters, sewers, embroiderers, crocheters, or anyone interested in textile arts." -- *Quick Easy Crochet*, March/April 2004
