## Knives

**From Brand: Krause Publications : Knives** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knives:

This 22nd edition is a treasure-trove of photographs and articles showing the evolution of knives, new technologies and the best artistic elements of the craft. Hundreds of photos display the nation's top custom knives as well as scrimshaw, stonework, damascus blades, sheaths and other custom work. The most knowledgeable knife writers provide in-depth, fully illustrated and captivating stories about custom knives. Contact information for custom knifemakers is thoroughly updated and listed in the directory with makers listed alphabetically according to state. Complete club membership lists are updated as well. For collectors, there is a list of photographs of knives by maker that covers the previous five editions. -Comprehensive volume of nation's top custom knives, displaying the best scrimshaw, stonework, damascus blades, sheaths and other custom work -Thoroughly updated directory of

knifemakers, knife photos from last five editions, sporting, importers and foreign cutlers, knifemaking supplies, mail order sales, and organizations publications
