Not very many pictures on how to do them just basically shows the finished product. I do not recommend this book for a beginner like myself. I will have to find another book!0 of 0 people found the following review helpful. Five StarsBy MaryJaneBeautiful and creative. Excellent delivery.0 of 0 people found the following review helpful. Loved itBy Nilda Rosa CortesLots of different patterns to make bracelets with. Hopefully I'll use it with my daughters soon.Love it that it's simple.
