before purchasing it in order to gage whether or not it would be worth my time, and all praised Krause-Minkus Standard Catalog of U.S. Stamps 2003: Listings 1845-Date:

Every U.S. stamp has a story to tell. Only this reference provides collectors the stories behind the stamps and other exclusive historical data. Coverage has been expanded to include all U.S. stamps produced from 1845 to 2002 and updated to provide the latest prices, totalling over 10,500 listings and 26,000 prices. Sections on revenue stamps, stamps from U.S. territories, Confederate States stamps, and U.S. stamps used as money during the Civil War - as well

as many other unusual stamps - show the fascinating uses of these common items. Additional resources featured in the catalogue help collectors to differentiate similar stamps, and provide identifier tables for the Great Americans and Transportation series and a listing of plate number coil prices.
