Author is attempting to show a before and after restoration but simply prints the before in BW.By allenThe book should be taken of the list. Print a book in color and black and white using the same vehicle is a rip off.

Restored 1930 Ford Model A Sports Coupe. Photographic book of the Model A soft top sports coupe with over 130 images. Images are from close ups of the car and overall views in full color and vintage black and white. For car lovers and collectors this is a book for you to enjoy over and over again.

About the Author Steve Knievel has been working with photography for over forty years starting with his own darkroom into the digital age. He has photographed everything from A to W including animals to weddings. His works over the years have received high accolades on his talent from adults to children that have viewed his portfolio, work and those that have purchased. Other published works include a four volumes of Steve's photographic images of cats titled "My Little Bundles of Joy".
