OK but not the best Tom TierneyBy sparky\_magic\_rainbowThe colors are too muted and the paper is flimsy. This is not on the same level as his GIBSON GIRLS. Illustrations are super gorgeous though hence 4 stars.0 of 0 people found the following review helpful. I LOVE paper dolls have been collecting the Dover dolls for many yearsBy Potluck QueenHigh quality paper dolls.These are well-researched and colorful and bright. They are such a pleasure to look at and cut The paper dolls are a really wonderful way to help kids really visualize historyI have made permanent paper doll stands from railings available from places like Home Depot or Lowes). If you have access to a table saw you can cut a groove into the top of the rounded part of the railing. I have found that 2" to 2-1/2" in length is good. Stain varnish if you like. These really help to keep the dolls standing up makes actual play more fun for children.
