Rambles of an archaeologist among old books and in old places being papers on art

Frederick William Fairholt : Rambles of an archaeologist among old books and in old places being papers on art before purchasing it in order to gage whether or not it would be worth my time, and all praised Rambles of an archaeologist among old books and in old places being papers on art:

Rambles of an archaeologist among old books and in old places being papers on art, in relation to archaeology, painting, art-decoration, and art-manufacture. This book, "Rambles of an archaeologist among old books and in old places being papers on art", by Frederick William Fairholt, is a replication of a book originally published before 1871.

It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.
