Some are so darn funny. The cards are new and put out by Chronicle Books in 2005. The pictures are funny and can be sent to all your cheerleader friends. Who knows! You might even get a postcard back!These are thick postcards and nice for sending in the mail. I think they will hold up better than any vintage card in the mail sorting machines.0 of 0 people found the following review helpful. Great PostcardsBy Shel GAbsolutely hilarious! I bought them in EUC and sent them off almost immediately. They can definitely CHEER up your day!0 of 0 people found the following review helpful. Love them!By Sandra TurnerVery
