Nice quality book.2 of 2 people found the following review helpful. As AdvertisedBy A. ClayThe cover for the book was a little beat up, but the seller did advertise it as "used" so I can't complain. Other than that, the pictures and the actual book was in very good condition! There are many pen drawings which help you see how Rembrandt put his ideas down on paper and the painting reproductions are wonderful!3 of 3 people found the following review helpful. InspirationalBy R. LeeIf you hold the biblical Gospels in high esteem, and you admire Rembrandt's work, this is an inspirational piece of work.
