Matchlock, wheel lock, flintlock and caplock; muzzle-loading and breech-loading; revolving and rifling the history of muskets and rifles is a fascinating journey through the development of firearms technology. From early matchlocks of the 15th century to the latest hunting rifles and assault rifles, Collectors Guide to Rifles Muskets traces the development of these small arms through their technical revolutions. From a 16th century wheel-lock to todays Knight MK-85 muzzleloader, from the Winchester to the Ak-47 to the latest sporting rifles, Collectors Guide to Rifles Muskets offers a narrative history of the classics among these firearms. Throughout there are technical specifications for featured firearms. Illustrated with more than 200 color and black-and-white artworks and photographs, Collectors

Guide to Rifles Muskets is an expertly written account of the history of sporting and military firearms.
