## Robert Crumb's Sex Obsessions

**Robert Crumb : Robert Crumb's Sex Obsessions** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Robert Crumb's Sex Obsessions:

Quality Packaged Collection of Crumb's CompulsionsBy Graveyard DaveGorgeous, accessibly-priced collection of Mr. Crumb's devotion to "Big, Fahn Legs" and Jutting Posteriors... of course, not all-inclusive (we'd need a several thousand page multi-volume collection) of the vast range of Crumb's lusts, depravities, and fetishistic obsessions - but this is a nicely packaged over-view of the man's psychosexual compulsions, committed to paper in comic-strip and single page drawings. Thanks to Taschen and Ms. Dian Hanson for bringing this fun-filled volume to the masses.4 of 4 people found the following review helpful. A masterful volume of comic art.By monte beauchampGreat design, choice of paper stock, and coloring of the strips, which originally appeared in black-and-white.A bargain of a price too. Taschen--and R. Crumb--strike again. A masterful volume of comic art.2 of 2 people found the following review helpful. Good sexually explicit collectionBy InktenseNice collection of Robert Crumb comics, much of it in color. The paper is of the absorbent variety, which works best for reproducing comic art colored in flat colors. I wouldn't have included the 40 some pages of the Championship Wrestling, which isn't as sexual as one would wish, but overall, a good selection of his work, old and new.

They have little to do with the standard procreative urge, Mr. Crumb admits. He has also said he finds nothing more boring than someone else's sexual obsessions, and yet through his long career the world's most famous underground cartoonist has felt compelled to include his own sex fantasies in his art. He explains it as a compulsive catharsis, while fans call R. Crumb's erotic fantasies the Master at his best. Now Crumb has selected his most intimately revealing comic strips and single page drawings to create a 256 page encyclopedic trip through his sexual psyche. All images were created between 1980 and 2006, and all strips are colored for a lush vibrancy never seen in his comic books. In total, the book features 14 complete stories, including "My Troubles With Women II", "If I Were a King", "A Bitchin' Bod" and "How To Have Fun With a Strong Girl", as well as 62 single page drawings. This signed, slipcased, limited

edition of 1,000 copies is a work of art in itself, with every part of the book - case, front and back covers, spine, introduction and pre-introduction pages - created for this project by Robert Crumb. Each book also comes with a print on mould-made age-resistant hahnemuehle paper pulled from an original watercolor by Robert Crumb. The artist admits it's a little scary to see his most fevered obsessions collected and to end like this, but fans will find R. Crumb's "Sex Obsessions" a fascinating peek inside an often tortured, always brilliantly talented mind, as well as an unparalleled collector's item.

About the Author Robert Crumb began his career in the late 1960s with Snatch, Zap and other underground comics.
