Roosevelt Dime 1965-2009 Collector's Folder (Warman's Collector Coin Folders)

Warman's : Roosevelt Dime 1965-2009 Collector's Folder (Warman's Collector Coin Folders) before purchasing it in order to gage whether or not it would be worth my time, and all praised Roosevelt Dime 1965-2009 Collector's Folder (Warman's Collector Coin Folders):

I have bought pretty much all of the other coin albums by Warman's and love them. This particular album however, has holes that are too small for the coins. So getting them in is a bit of a challenge. It requires some elbow grease and sometimes a blunt instrument (just kidding about the blunt instrument. Not good for the coins). I had to scrape the holes for some of them which made the book look ugly so I just had to put a piece of cloth over the coin and press as hard as I can until it snapped in. Anyway

finally filled it, and moved on to the next album.0 of 0 people found the following review helpful. Five StarsBy Frankie RussellBook was nice thanks0 of 0 people found the following review helpful. Five StarsBy DianeI love it

Aptly named for President Franklin D. Roosevelt, the Roosevelt dime is symbolic of his crusade to raise money for polio research by urging the public to show their support by sending in dimes. The organization it supported became known as the March of Dimes. This top-quality coin folder features this story and provides a beautiful showcase for your dimes. Larger than the average coin folder, it features three panels, with 90 die-cut dime openings, more than any other folder.
