Rubies Sapphires (Fred Ward Gem Book Series)

Fred Ward : Rubies Sapphires (Fred Ward Gem Book Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rubies Sapphires (Fred Ward Gem Book Series):

2 of 2 people found the following review helpful. fred ward--rubies and sapphiresBy Malorick LonglakeGreat book with nice pics and history. I would recommend any of Fred Ward books on gems4 of 4 people found the following review helpful. Fascinating StonesBy D. GRAY-RAUSEven though this is a very slim volume, the information it contains is second to none - very interesting.10 of 11 people found the following review helpful. Excellent!By A

CustomerFred Ward has a clear and concise writing style. This book is comprehensive, despite it's slender size. It is stunningly illustrated, with fabulous photos of well-known, and ordinary, gemstones and objets d'art. A must for the fan of jewels and gemstones. I'm collecting all his books now.

Part of the Fred Ward Gem Book Series. This lavishly illustrated book in the all-color series includes History and Lore, Hunt for Treasure, Romancing the Stone, Jewels and Artifacts, Synthetic Corundum and Simulants, and Buying Caring for Rubies Sapphires. This book provides the ideal introduction to two of the world's most famous gems. Follow author Fred Ward around the world in search for the most important examples of these beautiful and historic gemstones.

...well written and informative... fascinating reading for professionals as well as laymen... magnificent illustrations... I shall keep your book in a prominent place in my professional library and can assure you that I shall take it out often and study some portion of it. -- Dr. E. Gubelin, C.G., F.G.A. The color work is superb and the text is so interesting that lay person and jeweler alike will eat it up. It is so handsomely presented that it can't help but be a great value in enhancing gem knowledge. -- R. Liddicoat, Chairman, GIA Ward, a Graduate Gemologist, is famous for his inspired gem series in National Geographic Magazine. The book is enjoyable from cover to cover and I can't wait until the next of the series. -- Lapidary Journal Magazine About the Author For fourteen years Fred Ward created, wrote, and photographed National Geographic Magazine's legendary gemstone series. He has now greatly expanded his classic work into the 8-book Fred Ward Gem Book Series, complete with new photographs and text. His easy-to-read accurate text provides you what you need to know to buy and enjoy the world's most historic and beautiful gemstones. Mr. Ward's award-winning photographs make each page a visual feast. This book is part of "America's Most Popular Gem Book Series."
