Ralph's books come in very handy as reference material. 0 of 0 people found the following review helpful. I believe I have all Ralph Kylloe's books. I ...By JRVanBI believe I have all Ralph Kylloe's books. I don't think he can add a thing, then he comes out with another book and it is all new and exciting. Ralph, I am waiting for the next one. 0 of 0 people found the following review helpful. What an amazing collection, some of the best rustic furniture designs I've seen! By Paul Christensen I'm so happy to have a copy of this amazing book in our house, it's eye candy for anyone who appreciates rustic interior furniture. It's a large book with detailed photos and amazing examples of master "rustic" woodworkers.

From comfortable simplicity to elegant showplaces, the settings, furnishings, and decor in Rustic Artistry for the Home raise the standard for excellence in this growing field of collectible handcrafted furnishings. Ralph Kylloe gives us a privileged look at never-before-photographed interiors and takes us along as he visits multi-million-dollar homes deep in the heart of the American wilderness. His eye is undisputedly keen on quality. Along with regional styles and past masters, the most talented new rustic furniture artists are showcased here, expanding not only the craftsmanship of

furniture making but also the vocabulary of rustic style in our time.

This coffee-table book is a magnificent visual tribute to the rustic artists of past and present who dedicate themselves to creating beautiful objects that are so close to the natural.
