If you love vintage cowboy gear check it out. The book was in great shape when it arrived. The saddles are displayed nicely and with detail.One of my favorites so far.

Excellent reprint of rare 1938 catalog, remarkable for the variety of merchandise offered, lists scores of items and contains 580 illustrations advertising everything from Bickmore's Gall Cure, wool blankets, and rawhide hackamores

to Ding skirts, saddle bags, and angora chaps. Descriptive captions include list price, color, size, and other relevant information.
