The artwork featured is his original designs, before the studios and producers made him change things or add things. Very cool to see! I only wish that there were the final poster designs included, so you could compare his original artwork and concepts to how they eventually were marketed.0 of 0 people found the following review helpful. Great GraphicsBy MusicalbaSaul Bass was one of the greatest graphic designers of the last century. He designed many legendary film posters. 20 of his best are reproduced on heavy stock. Each is about 9" x 12" and removable for framing. Whether for framing or just looking this is a joy...and a bargain.0 of 0 people found the following review helpful. Excellent bargain.By Roscoe's Masked

AvengerVery attractive price for a nice set of Saul Bass film posters. The are perforated, and very easy yo remove from th book to frame on a wall. (Which I have already done.). Nice, thick quality paper. My favorite Bads poster?Vertigo, also one of my favorite films of all time.

This collection of 20 iconic movie posters by Saul Bass, one of the greatest American designers of the 20th century, is a must for graphic designers and film fans. Each poster is removable and designed to fit the standard frame size 12 x 16 inches. The posters included are: The Man with the Golden Arm; Saint Joan; Love in the Afternoon; Bonjour Tristesse; The Big Country; Vertigo; Anatomy of a Murder; Exodus; Spartacus; The Magnificent Seven; Advise Consent; The Cardinal; In Harm's Way; Bunny Lake is Missing; Seconds; Grand Prix; The Fixer; Such Good Friends; The Shining; Schindler's List.
