## Scott 2011 U.S. Pocket Stamp Catalogue

**James E. Kloetzel : Scott 2011 U.S. Pocket Stamp Catalogue** before purchasing it in order to gage whether or not it would be worth my time, and all praised Scott 2011 U.S. Pocket Stamp Catalogue:

5 of 5 people found the following review helpful. US Pocket Stamp CatalogueBy dahubbpostalHad a lot of promise as an easily transportable Wants List for Stamp Fairs and Auctions.Has plenty of Tick a Box Columns for many different uses, eg Mint, Used FDC, PB etc.However it has so many unnecessary inclusions, like Imperf Pairs and Missing colors, that have no place in a Pocket Guide.The Descriptions are often multi-line, which makes searching harder.The Real Killer is that many Images are not on the Same page as the listings. Sometimes 3 or 4 pages away.Finding items is Not as easy as it should be.All in all a disappointment.0 of 0 people found the following review helpful. Scott U.S: Pocket Catalogue 2011By Burkhard JacobsThe Scott U.S. Pocket Catalogue 2011 has arrived here in Germany very well packaged.The delivery time was absolutely appropriate with an order on 17 January and arriving in my mailbox on 8 February (21 days).It has the ring binder size of 18.5 cm x 14.3 cm x 4 cm length x width x height. The 522 pages of size 17.4 cm x 11 cm (length x width) are very well secured with 13 metal rings on the cover.On the left side you find the catalog pictures of the stamps in color and on the right are listed in a table, the Scott number description with pattern, color, type of printing, perforation and some advanced information. There are columns with the price of non-use and use stamps, as well as 5 free column for your own entries (eg inadvertent lists). In addition, the catalog contains a table of contents, an introduction to the stamp hobby and learn how to use the catalog.The last entry of the U.S. postage stamps from page 3 to page 439 is the number 4464 (Black Heritage - Oscar Micheaux) of 22 June 2010And that brings me to the few criticisms, I must unfortunately call.The catalog is titled "Scott Stamp Catalogue

2011 UNITED STATES POCKET". However, I am missing the stamps of 2 Half of 2010. The stamps are also listed by year. But missing the exact date of issue with day, month and year. Anyone looking for a special US stamp catalog is not well served. They mention only a few variants. But who wants a handy and concise catalog at trade shows, stamp exchanges or exchange evenings with him is well equipped with the catalog. It should only be mentioned that there are a few pages of advertising in the catalog is. It would be desirable, perhaps even if you could take out the leaves so that you can label them better in the free column. Finally, here are the contents: An overview of the world's most popular hobby .. 8A How to use this book ..... 8A United States Postage Stamps..... 3 Semi-Postal Stamps ..... 439 Air Post Stamps. .... 442 Air Post Special Delivery Stamps..... 455 Special Delivery Stamps ..... 455 Registration Stamp ..... 457 Certified Mail Stamp ..... 457 Postage Due Stamps..... 458 U.S. Offices in China .... 462 Official Stamps ..... 463 Newspaper Stamps ..... 474 Parcel Post Stamps 479 Parcel Post Postage Due Stamps . .... 479 Special Handling Stamps ..... 479 Computer Vended Postage ..... 481 Personal Computer Postage..... 494 Non-Personalizable Postage..... 507 Carrier's Stamps .....

509 Hunting Permit (Duck) Stamps ..... 516 Index to advertisers ..... 521 I wish all readers a lot of information from the catalog and I hope you enjoy the interesting collection "American stamps" and please excuse my terrible English. B. Jacobs from Germany Here, the whole short description in German Der Taschenkatlog USA ist hier in Deutschland sehr gut verpackt angekommen. Die Versanddauer war absolut angemessen mit einer Bestellung am 17. Januar und einer Ankunft in meinem Postkasten am 8. Februar (21 Tage). Er hat die Ringbuchgre von 18,5 cm x 14,3 cm x 4cm Lnge x Breite x Hhe. Die 522 Seiten der Gre 17,4 cm x 11 cm (Lnge x Breite) sind sehr schn mit 13 Metallringen am Einband befestigt. Auf der linken Katalogseite findet man die Abbildungen der Briefmarken in Farbe und auf der rechten Seite sind in einer Tabelle die Scott-Nummer die Beschreibung mit Motiv, Farbgebung, Druckart, Zhnung und einige weiterfhrende Angaben aufgefhr. Dazu gibt es die Spalten mit dem Preis fr unbenutze und benutze Briefmarken, sowie 5 freie Spalten fr eigene Eintrge (z.B. Fehllisten). Darber hinaus enthlt der Katalog ein Inhaltsverzeichnis, eine Einfhrung in das Briefmarkenhobby und eine Anleitung zum Gebrauch des Kataloges. Der letzte Eintrag der der US-Briefmarken ab Seite 3 bis Seite 439 ist die Nummer 4464 (Black Heritage - Oscar Micheaux) vom 22. Juni 2010 Und damit komme ich zu den wenigen Kritikpunkten, die ich leider nennen muss. Der Katalog ist betitelt mit "Scott 2011 UNITED STATES POCKET STAMP CATALOGUE". Allerdings fehlen mir doch die Briefmarken vom 2. Halbjahr 2010. Die Briefmarken sind zwar nach Jahreszahlen aufgelistet, aber man htte wenigstens das genaue Ausgabedatum nennen knnen. Wer einen Spezialkatalog sucht ist nicht gut bedient. Es werden nur wenige Varianten genannt. Wer aber einen handlichen und bersichtlichen Katalog auf Messen, Briefmarkenbrsen oder Tauschabenden bei sich haben mchte, der ist mit diesem Katalog bestens ausgerstet. Es sei nur noch erwht, dass es einige wenige Seiten mit Werbung im Katalog gibt. Wnschenswert wre es vielleicht auch noch, wenn man die Bltter heraus nehmen knnte, damit man sie besser in den freien Spalten beschriften kann. Zum Schluss hier noch die Inhaltsbersicht: An overview of the world's most popular hobby .. 8A How to use this book ..... 8A United States Postage Stamps..... 3 Semi-Postal Stamps ..... 439 Air Post Stamps. .... 442 Air Post Special Delivery Stamps..... 455 Special Delivery Stamps ..... 455 Registration Stamp ..... 457 Certified Mail Stamp ..... 457 Postage Due Stamps..... 458 U.S. Offices in China .... 462 Official Stamps ..... 463 Newspaper Stamps ..... 474 Parcel Post Stamps 479 Parcel Post Postage Due Stamps . .... 479 Special Handling Stamps ..... 479 Computer Vended Postage ..... 481 Personal Computer Postage..... 494 Non-Personalizable Postage..... 507 Carrier's Stamps .....

509 Hunting Permit (Duck) Stamps ..... 516 Index to advertisers ..... 521 Ich wnsche allen Lesern viel Informationen aus dem Katalog und viel Freude mit dem interessantesten Sammelgebiet "amerikanische Briefmarken" und entschuldigen Sie bitte mein schreckliches Englisch. B. Jacobs aus Deutschland
