3028 This is an award winning book for good reason!

The 20th edition of the Scott Classic Specialized Catalogue of Stamps and Covers 1840-1940 features thousands of value changes, numerous new listings and a host of editorial improvements, including revised and expanded listings. Here are highlights from the 2014 Edition: Almost 6,000 Classic-only value changes. More than 1,700 value changes in Great Britain, with many of them increases. Values for early classic Great Britain adjusted to the grade of Fine-Very Fine. In Argentina, regular issues have been renumbered and organized by date, type and perforation. More than 120 listings have been added to the occupation and annexation stamps of Greece.
