## **Scroll saw handbook with patterns**

**Patrick E Spielman : Scroll saw handbook with patterns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Scroll saw handbook with patterns:

1 of 1 people found the following review helpful. nice patternsBy JGThis book has lots of very nice simple patters to use. Basic information is well written. Some other extra information is a little dated as it is written to go with craftsman brand saws and accessories sold in mid 90's..0 of 0 people found the following review helpful.
