Sculpture of the World: A History

Sheldon Cheney : Sculpture of the World: A History before purchasing it in order to gage whether or not it would be worth my time, and all praised Sculpture of the World: A History:

0 of 1 people found the following review helpful. Great pictures of sculpture covering a wide rangeBy Jennifer RowlandI wanted it mostly for drawing practice, as sculpture gives you a good feelingof the weight and 3 D perspective. This book is older, but has a lot of greatphotographs and styles.
