Not useful if looking for information on the different glassware piecesBy CustomerNot useful if looking for information on the different glassware pieces. Great if you are intested in the History of the company.0 of 0 people found the following review helpful. Good book for glass collectorsBy

Colleen McClurgVery interesting book about one of the great old glass companies! A must for depression glass collectors.Inever knew much about the history of this company.Thanks to the author many of my questions are now answered.1 of 1 people found the following review helpful. Good read!By Robert L. ReevesHad interesting family

history. Very well written and researched. The author did a wonderful job. Very nice lady also. Thank you
