Very fun for all ages...By Cindy ButlerSummary:"Shoe-dles" contains 32 full size images, 5 pages of introductory material, and 4 pages of blotter paper in the back. It measures 8.5 x 11 inches and is glue bound into a laminated style cover. Featuring black and white line drawings of shoes, this book is appropriate for colorists of all ages and skill levels.Paper:The paper in this book is bright white and about the same thickness as standard copy weight. All pages are single sided and non-perforated. All mediums should be okay, but any wet products may cause the paper to wrinkle and they will bleed through. Be sure to place several sheets of blotter paper under your current picture to prevent further color transfer.Artwork:As the title implies, "Shoe-dles" focuses on many styles of footwear. Inside you'll see spike heels, cowboy boots, sandals, platforms, and more. Some are surrounded by decorative borders, while others are not. All of the images end before reaching the binding, so you can

remove them easily. Detail level remains fairly consistent throughout and print quality is very clean. Picture completion time should range from 3-6 hours(may be slightly different for each individual). Overall, this is a super fun book with a very creative theme. It would be best suited for chalk/crayon/pencil colorists who enjoy coloring fashion clothing items.I received this book free in exchange for a fair and honest review.0 of 0 people found the following review helpful. Fabulous adult coloring book!By JenThis is an absolute delight to color in! If you're a woman and love shoes, and also love to color, you'll be in heaven!! I love both and this book is great! This author could have been a shoe designer! Not only are the shoe designs gorgeous, the coloring doodle portion is fabulous too. The possibilities are endless!I just can't say enough wonderful things about this book and Patricia Burke the author! I've included a couple of finished pictures.

Shoe-dles is a g-rated coloring book for adults. There are 32 pages of hand-drawn, doodled shoes. There are cute boots and shoes for the country gal. As well as great high heel platforms shoe for the young woman out on the Club scene, to the mature woman dressed up and going to the big Gala. There is a shoe for every person and a Shoe-dle for each and every mood.
