I am very pleased with it.2 of 2 people found the following review helpful. This one includes the kitchen sink, and coat hangers tooBy kc7nveFrom plain to complex - furniture for all. Easy to read, lots of hints and detail drawings of joinery included. A brief note on species of woods used, Often includes finishes on the originals. Hardback binding, handy size, stiff binding precludes laying flat on the scanner for shop copies. Keep your protractor or bevel gauge handy for measuring angles on chairs and benches.john (:))0 of 0 people found the following review helpful. Five StarsBy R3 WoodworkerA very good reference, priced right, and arrived quickly. Good buy!
