I can look through it again and again. They take me back into my memory of the one's I've seen, and they make me sad that some of them I will never be able to see.1 of 1 people found the following review helpful. Lots of cool images.By M. FergusonI would go broke and in to huge debt if the posters shown in this book were available on ebay. Lots of cool images.

For 50 years samurai movies have wowed the Japanese - and the world - with gory sword fights and tear-jerking tales of honor and sacrifice. From Kurosawa's Seven Samurai to anime's Samurai X, this first-ever collection of original samurai movie art pays tribute to a cinematic genre that is truly Japanese. Silver Screen Samurai is a must-have for

samurai fans, movie-buffs and lovers of poster art!
