Silversmithing: A Manual of Design and Techniques

Keith Smith : Silversmithing: A Manual of Design and Techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised Silversmithing: A Manual of Design and Techniques:

This manual provides information and advice on the various design and craft techniques of silversmithing to help beginners as well as those with more experience. The chapter on design includes works that have been provided by members of the Association of British Designer Silversmiths.
