Tammy and Her Family of Dolls: Identification and Price Guide

John Axe : Tammy and Her Family of Dolls: Identification and Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Tammy and Her Family of Dolls: Identification and Price Guide:

0 of 1 people found the following review helpful. Five StarsBy Amanda A. MeyerAwesome book! My aunt is a collector and she loves it!11 of 11 people found the following review helpful. Smallish book to take with you to Doll Shows!By LauraAs a 'Tammy' collector, I first purchased the Sabulis "Tammy" book to refamiliarize myself with the Tammy family of dolls produced by Ideal. I purchased this title hoping to gain new information not already in Cindy's book. I was a bit disappointed, and refer most often to my Sabulis book on Tammy and take the Axe book with me to Doll shows (fits nicely in a purse).For Tammy collectors, there are a few pluses and quite a few drawbacks to this book:PLUSES:1. Tammy wanna-be's are pictured and discussed in depth here - especially Palitoy's Sindy. One doll I had forgotten that I'd originally received in the 1960's was the Cinderella doll (with two heads!).2. Unique Tammy items are displayed and presented well.Now, THE DRAWBACKS:1. Few color photos are included - most all of the pages are in Black and White.2. Book does not include and mention or have a description of the final costumes issued for the Tammy line (Powder Puff, Private Secretary, On the Avenue, possibly others.) These are some of the rarest and hard-to-find costumes produced for Tammy.3. Very little information about the Italian Tammy craze back in the 60's other than a poster reproduction advertising Tammy.4. (THE MOST IMPORTANT DRAWBACK TO SERIOUS TAMMY COLLECTORS) Information about the rarest of the Tammy family -- "Bud" -- appears to be misleading - the markings that John identifies as being a Bud doll looks like it's a combo of a Dad and Ted doll, although he does picture Bud. Bud's markings on the back of the head are correctly identified in the Sabulis book.5 of 5 people found

These are some of the rarest and hard-to-find costumes produced for Tammy. 3. Very little information about the Italian Tammy craze back in the 60's other than a poster reproduction advertising Tammy. 4. (THE MOST IMPORTANT DRAWBACK TO SERIOUS TAMMY COLLECTORS) Information about the rarest of the Tammy family -- "Bud" -- appears to be misleading - the markings that John identifies as being a Bud doll looks like it's a combo of a Dad and Ted doll, although he does picture Bud. Bud's markings on the back of the head are correctly identified in the Sabulis book.

The best identification and value guide to the charming Ideal Doll Corporation's Tammy and her "doll family". Dolls are pictured in many difficult original costumes, with charts and photographs of extra fashions and accessories. Also features other Tammy toys, paper dolls, books, games and other collectibles. A price guide provides the values of all identified Tammy Collectibles. 43 color and 205 b/w photos. 128 pages.

From the Back Cover This book features all the different versions of the Ideal Doll Corporation's Tammy and her "doll family". These charming dolls from the 1960s include Tammy, Pepper, Mom, Dad, Ted, Bud, Salty, Pete, Patti, Misty, and Dodi. Each doll is pictured in many different original costumes, with charts and photographs of extra fashions and accessories. Special chapters depict all the other Tammy toys, paper dolls, books, games, and other collectibles plus a study of the Tammy-type dolls that followed her success. A price guide provides the values of all the identified Tammy collectibles. With 128 pages and 250 photographs, Tammy and Her Family of Dolls, is the best identification and price source like it for collectors! About the Author For more than 20 years, John Axe has written research articles on dolls, teddy bears and other collectibles for various magazines. He is also an award-winning paper doll artist whose work has been used for Convention Souvenirs, as well as having been published in book form. John is very active with the United Federation of Doll Clubs, Inc. He was the first Chairman of the Modern (Doll) Competitive Exhibit and has been Chairman of Judges (Modern) several times. He is a past editor of Doll News, the journal of UFDC. In 1990 John was awarded with the Excellence in Research and Writing Award from the International Doll Academy and in 1992 with the UFDC Award of Excellence for Contributions to Doll News. John also designs teddy bears for Merrythought Limited and in 1989 was awarded with a Golden Teddy Award for his bear Jeremy.
