Tapestry Weaving: Design and Technique

Joanne Soroka : Tapestry Weaving: Design and Technique before purchasing it in order to gage whether or not it would be worth my time, and all praised Tapestry Weaving: Design and Technique:

11 of 11 people found the following review helpful. Great ResourceBy sandra l tappBought this book to be able to teach beginning tapestry weaving at an SCA event this summer. So far it has given me the information I need to write up the class notes and to teach me more about the process.2 of 2 people found the following review helpful. Helpful bookBy Lynda M. BreezeGreat book w| terrific ideas. I look forward to the arrival of my loom so I can begin "looming" not in corners lol! It is a source of inspiration inspiration. Arrived in terrific condition on time!7 of 7 people found the following review helpful. Tapestry WeavingBy Lisa C.Technical in the aspect of design and technique. I am applying those techniques to transfer to Saori loom weaving. The book is a must have for your textile library.

An essential sourcebook with advice on all aspects of creation, care, and presentation of tapestries, aimed at experienced and novice weavers and galleries

"The book should appeal to anyone with an interest in handwoven tapestry, from beginner to advanced weaver . . . Soroka has added to the understanding of tapestry and the process of making it quite wonderfully with this book. I heartily recommend it." Shuttle, Spindle and Dyepot
