After an intensive training on the skill required to weave ...By PatAfter an intensive training on the skill required to weave with the back strap loom, this book was chosen by several of us to continue to refer to when we no longer had our instructor at our sides.0 of 0 people found the following review helpful. Weaving meeting peopleBy M. A. ConroyA very well written book and also helps you to meet the people and appreciate the history and lives they live.1 of 2 people found the following review helpful. Great Book!By S.

BergquistA nicely done book for those interested in this technique. I always wanted to be able to make my own Huipils and with this book you can learn how to do the brocade work you need to do it. Nice photos and illustrations, a must for all those backstrappers out there.
